FREMONT

DURING the late visit of Mr. KENDALL, he made arrangements for the opening of a WOOL DEPOT in Fremont,

on a most extensive scale.
Finding the spacious Ware Rooms which they now occupy too small to accommodate this addition to their business

Kendall & Nims have rented the large building formerly occupied by Mr. Morehouse, and intend using it for the Purchase and Packing of WOOL for Sun

dusky and the adjoining counties. They hope to offer inducements to the surround ing country to bring to this market their entire clip the present season, as Mr. Kendall has made another supply of the genuine to sell to those he cannot gull with his spurious stuff, but his agency is hereby revoked, and he will not receive any prices the market will command. They are thus determined TO FULFILL THE PLEDGES one after another, which they at first made to the public, so that their Establishment shall indeed be

where the whole farming interest in all this section can buy and sell to the

GREATEST ADVANTAGE. The Cargoes of Wheat, Oats and Corn, for which they have this season paid out the "ROCKS," have brought farmers from Seneca, Hancock, and many of the surrounding counties; and the constant throng at their counters fully demonstrates that they can here purchase their Goods cheaper than any where else in all this section of the country. The RESE BATTALLIONS have just arrived, bringing

an immense assortment and many ar-ticles at Greatly Reduced Prices, so that they can now sell IRON ron Wagons, all round at \$4. Prime Brown SUGAR, mixteen and twanty pounds for \$1. Good Molasses, at 31c; best Sugar-House, only 40c; and many of the other great staples at an ASTONISHING REDUCTION.

In consequence of the wonderful success at Head Quarters, it is expected that counterfeiters will be very plenty the coming season; in fact some excel-lent imitators have already made their appearance in the shape of flags, signs, mottoes, &c., &c., but it is all "mago," for the people understand that these "bogusers" are no more like the gennine OLD CASH STORE,

At Hoad Quarters, than a 'brass button' is like a real 'California,'
They must be excused, however, from all criminal intentions, since it is evident
that they did not know but what

Those wishing any thing in the above line, will
do well to give us a trial, as we feel confident they will be satisfied, both as to teams and prices, the former warranted to carry pus-engers to their destination in the shortest possible time, and the latter to be as reasonable as possible. By strict attention to business, they hope to merit a liberal share of public patronage.

Old Dr. Jacob Townsend. Genuine Townsend Sarsaparilla, Old Dr. Townsend is now about 70 years of one, and has been known in the AUTHOR and DISCOVEREE of the GENUINE ORIGINAL ** TOWNSEND SARSAPA-RILLA'. Being poor, he was compelled to limit its manageriary, by which means it has been kept on if market, and the miles circumseribed to those only who had proved its worth and known its value. It had reached the sars of many, nevertheles, as those persons with had been healed of some discusses, and saved from death, proclaimed in woosferial.

HEALING POWER.

HEALING POWER.

This GRAND AND UNEQUALLED PREPARATION's manufactured on the largues scale, and is called for throughout the limith and breadth of the land, supecially as it is found incapable of degeneration or deterioration.

Unlike young S. P. Tesement's, it improves with age, and never changes but for the better; because it is prepared on action. Michigeneration in the manufacture of the distribution of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Def Sassaparilla. The Sarasparilla root, it is well known to medical since, contains many medicinal properties, and soften properties which are insert or unions, and others, which if retained in praparing it for use, province formessintees and acid, which is injurious to the system. Some of the properties of Burseparilla, are see welcate that they entirely or apport as at his in the propagation. If they are not preserved by a sciencific process, answer solutile principles, which if off in vapor, or some exhalation, under heat, are the very essential medical properties of the Properties within gives to it all its value.

Any person can boil or safer the root till they get a death column anything since; they can then straig this magnet or varied liquid, which is more from the coloring master in the root when first manything since; they can then straig this magnet or varied liquid, aveceint with our melanses, and then call it "BAR. SAPARILLA EXTRACT or SYRUP." But much is not the satie of Environ as the

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared that all the inert properties of the Sarsaparilla root are first rumoved, everything capable of becoming still or formentating is extended and rejected; then every particle of medical virtue is secured in a pure and concentrated orm; and thus it is rendered incapable of losing any of its valuable and healting properties. Prepared in this way, it is made the moss powerful agents in the
